ON THE
ACTIVITIES & INITIATIVES
TAKEN UP BY THE
DISTRICT BASIN DEVELOPMENT UNIT
WEST JAINTLA HILLS DISTRICT**

**INITIATIVES TAKEN UP BY THE DISTRICT BASIN DEVELOPMENT UNIT, WEST
JAINTIA HILLS
MEDIA CAMPAIGN**

On the occasion of the 56th Republic Day Celebration, the District Basin Development Unit took the opportunity to showcase and display a tableau on Integrated Basin Development and Livelihood Promotion Programme in the District which depicted the 9 (Nine) missions in attaining the objective of sustainable livelihood.

Tableau on IBDLP on 26th January, 2013.

1. Development of Sericulture at Saphai Village.

A convergence effort was initiated by the District Basin Development Unit, WJHD in collaboration with the Sericulture Department, WJHD and Bellefonte Community College for the development of Eri farmers of Saphai Village. The BDU proposed for the setting up of a Training cum Spinning center in the Village. Before initiating the proposal, an Awareness cum-Training Programme on Eri Spinning was organized for the farmers of the Village.

2. Establishment of Fish Sanctuary at Syntu Ksiar

A convergence effort was also initiated between the BDU, Office of the Superintendent of Fisheries Jowai, BDO Thadlaskein and the Jaintia Fishing & Environment Society, Jowai for the establishment of the Sanctuary on the water pool already created by the Soil & Water Conservation Department.

Objective:

- ❖ To conserve the Indigenous and Endemic species
- ❖ To create an un-disturbed breeding ground for Mahaseers
- ❖ To promote and boost tourism.
- ❖ To enhance the livelihood promotion within the area.
- ❖ To create proper sanitation facilities.
- ❖ Gap funding by MBDA has been sanctioned and works is still in progress.

The water pool at Syntu Ksiar

3. Development of Piggery at Nartiang.

The objective of the program is to ensure self sufficiency in meat demand. The success of the programme would be replicated in other areas as well. A model for convergence is being worked out between BDU and AH & Veterinary Department. The BDU has organized Awareness cum Interactive Session with the Partners from the Village on 10th July 2013. Till date 13 partners have been sent by MIE for training at SIRD, Nongsder.

Shri. K.Hynniewta, Nodal Officer, BDU interacting with pig farmers at Nartiang

4. Reviving the Pottery of Larnai Village.

The BDU conducted the PRA exercise in the village to work out viable possible interventions.

Villagers interacting during a PRA exercise at Larnai Village

An interactive session with the Partners involved in the trade was organized at Thadlakein EFC where it was decided that artisans from the village would be sent for an Exposure visit, the task of which was handed over to Shri. I.Z Wreang, FM, DCIC, Jowai.

❖ **Promotion of Herbal Soap produced by Sahsniang Cluster Level Federation**

The BDU will be working on the possible intervention in providing trainings and technical inputs to the Partners who are presently involved in the production of Handmade Herbal Soap. The Proposal will be sent to MIE for working out plans for the project. The objective is to encourage entrepreneurship among rural folk.

❖ **Proposal for setting of a Handicraft Training Centre at Mookyndeng**

The BDU has submitted a proposal to MIE for utilizing the facilities of the Women's Group and Handicraft Multipurpose Co-operative Society Ltd. Mowkyndeng as the training Centre on handicrafts for Artisans of the State.

Sustainable Development Month.

Sustainable Development Week was observed in the District whereby the BDU along with other Departments organized Cleaning Drive along the river Myntdu, cum Tree Plantation Programme at Syntu Ksiar on occasion of World Environment Day 2013.

The programme was attended by Prof. R.C Laloo, Deputy Chief Minister who also graced the function as the Chief Guest. The participation was overwhelming as over a thousand people including Schools and College students, NGOs, Local people and Govt officials attended the programme. The programme culminated with a Tree Plantation and the release of fingerlings at the Myntdu River by the Department of Fisheries.

Livelihood mapping:

- ❖ The consultancy firms engaged by MBDA, WEBCON Ltd. and Total Livelihood School, Hyderabad along with ERPs conducted livelihood mapping in some villages under Laskein and Amlarem C&RD respectively. The villages that were covered were Kyndongtuber, Mowtyrshiah, Mookyndeng, Mynso-A, Mukhap, Nongkynrih, Barato, Khatkasla and Thadmuthlong under Laskein C&RD Block.

Official from WEBCON Ltd during livelihood mapping at Kyndongtuber

The villages covered under Amlarem C&RD Block were Amlaririm, Pdengshakap, Amladkhur, Thangbuli (Jarolod),Hawai Bhoi , Trangbalang, Amtasam, Pamtbuh, Khliehamkhsar, Lamin, Jong-u-Shen, Kudengthymmai, Bakur, Shnongpdeng, Kudengrim, Amsohmeheleng, Mupyut, Samanong and Syndai.

A team from Total Livelihood School, Hyderabad

The Livelihood Mapping exercised of Amlarem Block was conducted on 24th.June to 1st. July. 2013 in five villages (Kudengthymmai, Thangbuli, Umladkhur, Pamtbuh, and Kudengrim) on 28th.Aug to 6th.Sept.2013 in fourteen villages (Shnongpdeng, Bakur, Hawai Bhoi, Lamin, Samanong, Pdengshakap, Amlari rim, Jong-u-chen, Khliehamkshar, Amsohmahaleng, Trangblang, Syndai, Mupyut, Amtasam), with an objective of understanding the major livelihood activities being undertaken by the people in the block, identify gaps in the existing activity if any and suggest interventions as well as to identify any other potential livelihood activities that could be undertaken in the villages under the Block. The livelihood mapping survey/conducted revealed with two livelihood activities which are relevant to the Block are orange cultivation and Broom grass cultivation.

This exercised helps in identifying and understanding the various livelihood activities undertaken by the people at the grass root level. It also helps us to build a strong rapport with the

people. The exercise was conducted with the help of Shri. Wilhelmos Shylla, Rolin Shadap and Pynshngain Rymmai, (Interns MBDA), Smt. Justina Shylla, (Programme Associate) and Smt. Dajan Khonglah, (ERP Amlarem EFC). The entire expenditure of the exercise was borne by the 'The livelihood School'.
